**NGS SPECIAL MEETING
Sunday, September 18th, 2005
Finch Arena**

Meeting called to order at 2:35 p.m.

1. Executive Positions:
 - a. Coach Mentor/Coordinator Position and Trainer Coordinator Position both vacant
 - b. Facility Manager Position accepted by Dianne Shane
2. Peewee House C (non-contact):
 - a. Executive voted for the coach of this team
 - b. Everyone voted with one abstention
 - c. Gary Belair voted in as coach
3. Atom:
 - a. Only 42 players showed up for conditioning and tryouts therefore some discussion about having three teams instead of four. However, there are 46 players registered. Atom level plays only one hour games therefore we should have four teams in place with eleven or twelve players each.

4. Midget:

- a. One midget player quit when he didn't make the rep team. We will reimburse his registration fee.
- b. Minor Midget Rep Team still being discussed since so many extra players showed up for tryouts who had not registered before deadline. At present there are 42 midgets with 17 of them on the major rep team leaving 25 for house (23 players + 2 goalies). Four plan on leaving for Minor Midget elsewhere which leaves 21 (19 players and 2 goalies). This is still not enough for three midget teams therefore we will have to leave it at the present two.

Meeting adjourned at 3:10 p.m.
