ADDITIONS TO AGENDA:

- Sarah Murphy has resigned as our Facility Manager therefore we must find someone to fill this position. This individual must set up the ice schedule and coaches must contact him/her if they will not be using their ice time so that the Facility Manager can reallocate or cancel. Dianne Shane was suggested for this position. Heather will discuss with her.

SOME QUESTIONS TO PONDER:

1. As a number of Bantam players made teams in Cornwall, do we have enough players to put together a Bantam B Rep team? Should we have a B House and a C House with no rep team? Lots of discussion followed this with the following conclusion:
 - Put together a Bantam B Rep team as always and it is possible they may have a "hard" year, which is all a part of hockey. Also put in a Bantam House C team.
2. Why are all Initiation ice times in Maxville when all other levels switch between the two arenas?
 - We have a 5:00 ice time to fill in Maxville and we have to use all the ice we can get. It seems the best bet to put Initiation here as opposed to the older kids. The scheduling is very complicated and to date this set up as worked best although it is impossible to keep everyone happy.
